RE: New List Price Sheet
Effective February 1st, 2025

Due to increases on raw materials and overall operating costs, N.E.C. will be implementing a price increase on all our GRC, ARC, and EMT products. The new list prices will reflect an increase of 10%.

The new price will be effective on all orders placed after January 30th, 2026. N.E.C. reserves the right to limit customer orders based on historical sales data. Thank you for your business and continued support.

Sincerely,

Keith Conley
Rep Sales manager
