RE: N.E.C., Inc Price increase
Effective January 1st, 2024

N.E.C. will be implementing a price increase on all our GRC, ARC, and EMT products due to continued increases on raw materials, transportation, and overall operating costs. The new list prices will reflect an increase of 5% on all products.

The new price will be effective on all orders placed after December 31st, 2023. N.E.C. reserves the right to limit customer orders based on historical monthly sales data. We will be distributing new net pricing sheets in the coming weeks. Thank you for your business and continued support.

Sincerely,

Keith Conley
